Dear Ms. Riddle,

As you are aware the following disclosure was submitted along with Joanne Slavin's article titled ["Ditch the Single Nutrient Approach"](#): *"FoodMinds provided writing support to Joanne Slavin in the development of this article, with financial support from the Corn Refiners Association. Any opinions, conclusions and recommendations stated are those of the author"*.

When the article was published online we noted that the disclosure was not included and it was indicated to us that due to space constraints the disclosure was not included. It is our preference that the article includes the above noted disclosure for purposes of full transparency.

Thank you for your attention to this matter.

Sincerely,
Kailee Tkacz
Corn Refiners Association
